Stay safe at work
Keep yourself informed and up to date with changes to work health and safety. This presentation examines what these changes mean in educational contexts, using real scenarios from the classroom and workspaces of education professionals. Learn about the duties of your employer but also your responsibilities to yourself, your workplace, colleagues and students. This course is designed for those both new to WHS and those refreshing their understanding of old OHS laws.

To register your participation please contact Marie-Claude on 8202 8900 or pd@ieu.asn.au. This course requires a minimum of 12 registrations to run. Please tell your colleagues!

Completing Work Health and Safety (WHS) in the Workplace will contribute 2 hours of NESA Registered PD addressing 4.4.2; 7.2.2 from the Australian Professional Standards for Teachers towards maintaining Proficient Teacher Accreditation in NSW.
